INTRO — DUCTION

NINGBO SOMEWANG PACKAGING CO.,LTD is a design and manufacture packaging containers' solution supplier specialized in Beauty & Cosmetics, Pharmaceuticals & Health, Food and Household.

We mainly produce four categories products including - blow molded PET/PE/PETG bottles, injection molded PP/AS/PS jars, containers and accessories, closures like sprayers, pumps & caps, and tube packaging, with big production capacity to ensure your current demand and future growth.

SOMEWANG products exporting to more than 150 countries & regions, mostly to European, North America, South America, Middle East, Asia and Australia etc. We supply extraordinary solutions customized to an increasing variety of applications and new innovations in designing, molding, and order working procedure. Our R&D Dept. develop over 200 sets of new molds per year for our clients, we have professional team working for our customers' customized requirements, with more than 20 years experience in injection & blowing products, and molding industry, our factory offer stable quality for our clients all over the world.

We offer you zero risk quality service, if any of quality issue occurs in our products, we'll take 100% responsibility, no any lose burden by our clients. Please give us a try to offer you valuable products.

SOMEWANG will be the global packaging partner of choice, focused on delivering innovative, sustainable end-to-end solutions and customer delight. We will be a place where passion, empowerment and creativity are valued and balanced with strong work-ethic and a commitment to corporate social responsibility. We will work together to create and deliver extraordinary value for all our partners.

You're welcome to visit us building the business partner relationship!

Today, SOMEWANG has grown into a complete packaging-solution provider: integrating proprietary design, production and sales, we proudly deliver beauty to millions of customers with stable quality products, we are growing together with our clients, and developed as below:

- In 2006 SOMEWANG was founded in Ningbo, China
- In 2008 we registered our own brand and built injection & blowing production center
- In 2011 we invested in the sprayer and pump factory
- In 2013 we invested in the tube factory
- In 2016 we set up the R&D center and expanded the injection& blowing workshop to 5,000 square meters
- In 2017 we established the sales service branch in the USA
- In 2019 Guangzhou Production-base established

3

ENVIRONMENTAL FRIENDLY

Nowadays, more and more people pay attention to and understand environmental protection. Of course, Somewang has always been committed to protecting the environment and actively developing environmentally friendly products.

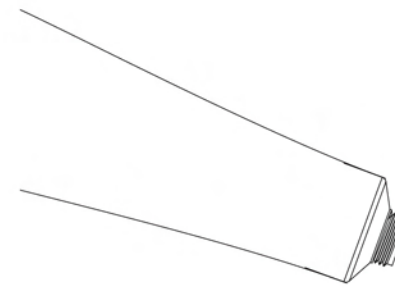

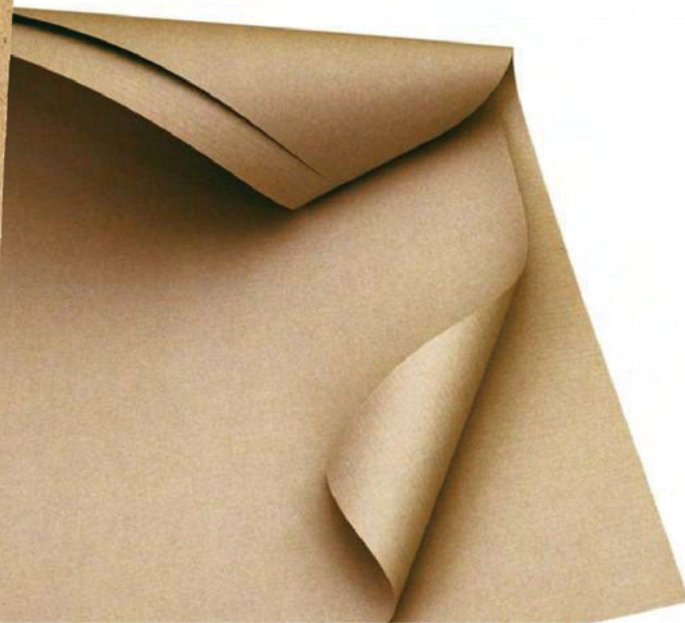

PCR TUBE

We have been involved with the use of recycled products for PCR materials for a long time. We would be happy to assist you in realising a recycling-based product for your application. Currently we have capable to produce the most of packagings in PCR material, such as PET bottles, HDPE bottles, PP jars, LDPE tubes, Pumps, sprayers and caps.

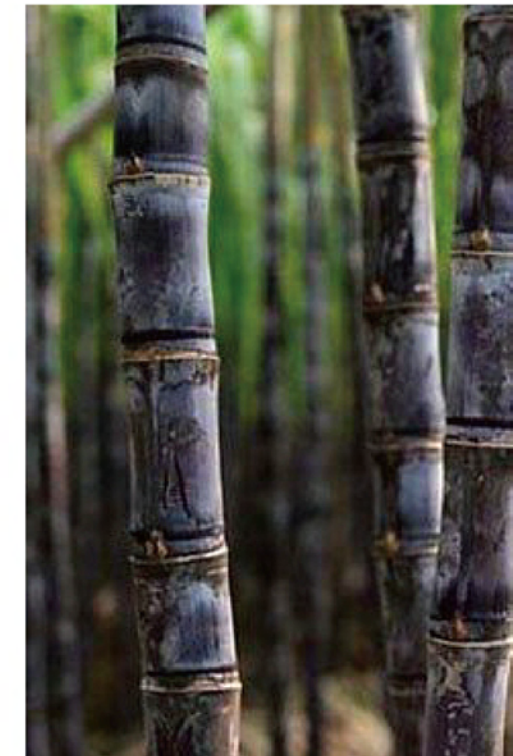

PAPER TUBE

1. Wide source of raw materials, low cost, diverse varieties easy to form mass production.
2. Good processing performance, easy compound processing and excellent printing performance.
3. It has certain mechanical performance, lightweight and good buffering parts.
4. Good hygiene and safety.
5. The waste can be recycled without white pollution.

SUGAR CANE TUBE

The newly launched sugarcane tubes/bottles offer a new green packaging option for the health & beauty care, cosmetic and personal care industry. Our sugarcane tubes/bottles are made from bio-plastic derived from 100% renewable resourced sugarcane, the sugarcane tube/bottle can be 100% recycled after used. They have the same structure and function as the traditional tubes/bottles and there is no difference in the properties. Therefore, no new filling equipment or operational adjustments needed if you shift from traditional tubes/bottles to sugarcane tubes/bottles.
